Our Director Nominees

You are being asked to vote on the election of Thomas E. Hamilton as a Class II director, to serve for a three-year term expiring at our 2025 Annual Meeting of Stockholders. Thomas O. Daniel, M.D. currently serves as a Class II director of our Board of Directors (the “Board”) with a term expiring at the Annual Meeting. Dr. Daniel’s service as a member of our Board will end effective as of the date of the Annual Meeting and he is not standing for re-election. After careful consideration, we have elected to reduce the size of our Board from seven to six directors, effective as of the date of the Annual Meeting. Our Board is divided into three classes, each of which has a three-year term. Classes I and II each consist of two directors, with Class II being reduced to one director following the Annual Meeting, and Class III consists of three directors.

The term of office of our Class II directors expires at the Annual Meeting. We are nominating Thomas E. Hamilton for re-election at the Annual Meeting to serve until the 2025 Annual Meeting of Stockholders and until his successor, if any, is duly elected and qualified or appointed, or until his earlier death, resignation or removal. Directors are elected by a plurality of the votes cast by our stockholders at the Annual Meeting. The nominee receiving the most FOR votes (among votes properly cast online during the Annual Meeting or by proxy) will be elected. If no contrary indication is made, shares represented by executed proxies will be voted FOR the election of Mr. Hamilton. The nominee has agreed to serve as a director if elected, and we have no reason to believe that he will be unable to serve.

- In May 2021, the U.S. Food and Drug Administration ("FDA") placed a clinical hold on our clinical development of CTI-1601 following our notification to the FDA of mortalities which occurred at the highest dose levels in a 26-week non-human primate (NHP) toxicology study that was designed to support extended dosing of patients with CTI-1601. At the time the clinical hold was placed, we had no interventional clinical trials with patients enrolled or enrolling.

PROXY STATEMENT

This Proxy Statement, with the enclosed proxy card, is being furnished to stockholders of the Company in connection with the solicitation by our Board of proxies to be voted at our Annual Meeting and at any postponements or adjournments thereof. The Annual Meeting will be held on Tuesday, May 10, 2022, at 9:30 a.m., Eastern Time via the Internet at meetnow.global/MYGPWRJ.

EXPLANATORY NOTE

On May 28, 2020, Larimar Therapeutics, Inc. (the “Company”), formerly known as Zafgen, Inc., completed a business combination with Chondrial Therapeutics, Inc. (“Chondrial”), in accordance with the terms of the Agreement and Plan of Merger, dated as of December 17, 2019, as amended, by and among the Company, Chondrial, a wholly-owned subsidiary of the Company (“Merger Sub”) and Chondrial Holdings, LLC, the sole stockholder of Chondrial, pursuant to which Merger Sub merged with and into Chondrial, with Chondrial surviving as a wholly-owned subsidiary of the Company (the “Merger”). In connection with the Merger, the board of directors prior to the Merger was replaced by new directors designated by both Chondrial and Zafgen, and members of Chondrial’s management team were installed as our new management team. In connection with, and immediately prior to the completion of the Merger, we effected a reverse stock split of our common stock, at a ratio of 1-for-12.

Immediately after the completion of the Merger, we changed our name from “Zafgen, Inc.” to “Larimar Therapeutics, Inc.” and the business conducted by us became the business conducted by Chondrial.

We are a clinical-stage biotechnology company focused on developing treatments for complex rare diseases, and our common stock began trading on Nasdaq Global Market under the ticker symbol “LRMR.” Unless otherwise indicated, all references in this Proxy Statement to “Larimar,” “Company,” “we,” “our,” and “us” refer to Larimar Therapeutics, Inc. as of and following the closing of the Merger, and all references to “Zafgen” refer to Zafgen, Inc. and the business of Zafgen, Inc. prior to the closing of the Merger.

GENERAL INFORMATION ABOUT THE MEETING

ATTENDING THE ANNUAL MEETING

The Annual Meeting will be a completely virtual meeting. There will be no physical meeting location. The meeting will only be conducted via live webcast. We have adopted a virtual format for the Annual Meeting to make participation accessible for stockholders from any geographic location with Internet connectivity. We have worked to offer the same participation opportunities as would be provided at an in-person meeting while further enhancing the online experience available to all stockholders regardless of their location.

To participate in the virtual meeting, visit meetnow.global/MYGPWRJ. You will need to enter the 16-digit control number included on your Notice or on your proxy card. The meeting will begin promptly at 9:30 a.m., Eastern Time on Tuesday, May 10, 2022. We encourage you to access the meeting prior to the start time leaving ample time for the check in.

If your shares are held in “street name,” you should contact your bank or broker to obtain your 16-digit control number or otherwise vote through the bank or broker. If you lose your 16-digit control number, you may join the Annual Meeting as a “Guest” but you will not be able to vote, ask questions or access the list of stockholders as of the Record Date.

The virtual meeting platform is fully supported across browsers (Internet Explorer, Firefox, Chrome and Safari) and devices (desktops, laptops, tablets and cell phones) running the most updated version of applicable software and plugins. Participants should ensure that they have a strong WiFi connection wherever they intend to participate in the meeting. Participants should also give themselves plenty of time to log in prior to the start of the meeting.

PROXY SOLICITATION

Our Board is soliciting your vote on matters that will be presented at the Annual Meeting and at any adjournment or postponement thereof. This Proxy Statement contains information on these matters to assist you in voting your shares.

This Proxy Statement and the proxy card are first being mailed to our stockholders on or about April 12, 2022. In accordance with the rules of the Securities and Exchange Commission (the “SEC”), we are advising our stockholders of the availability on the Internet of our proxy materials related to our forthcoming Annual Meeting. Because we have elected to utilize the “full set delivery” option, we are delivering to all stockholders paper copies of all of the proxy materials, as well as providing access to those proxy materials on a publicly accessible website. This Proxy Statement and our 2021 Annual Report are available to beneficial holders of our common stock at <http://www.edocumentview.com/LRMR> and to record holders of our common stock at <http://www.envisionreports.com/LRMR>.

In each case, your shares will be voted as you instruct. If you return a signed card, but do not provide voting instructions, your shares will be voted FOR each of the proposals. If you are the record holder of your shares, you may revoke or change your vote any time before the proxy is exercised. To do so, you must do one of the following:

Deadline for Voting. The deadline for voting by telephone or Internet, other than by virtually attending the Annual Meeting, is 11:59 p.m. Eastern Time on May 9, 2022. If you are a registered stockholder and virtually attend the Annual Meeting, you may deliver your vote online during the Annual Meeting.

BROKER VOTING AND VOTES REQUIRED FOR EACH PROPOSAL

If your shares are held in a stock brokerage account or by a bank or other holder of record, you are considered the “beneficial owner” of shares held in street name. The Notice has been forwarded to you by your broker, bank or other holder of record who is considered the stockholder of record of those shares. As the beneficial owner, you may direct your broker, bank or other holder of record on how to vote your shares by using the proxy card included in the materials made available or by following their instructions for voting on the Internet.

GENERAL INFORMATION ABOUT THE MEETING (continued)

A broker non-vote occurs when a broker or other nominee that holds shares for another does not vote on a particular item because the nominee does not have discretionary voting authority for that item and has not received instructions from the beneficial owner of the shares. The following table summarizes how broker non-votes and abstentions are treated with respect to our proposals:

VOTING MATTERS	VOTES REQUIRED	TREATMENT OF ABSTENTIONS AND BROKER NON-VOTES	BROKER DISCRETIONARY VOTING
PROPOSAL 1: Election of Class II Director for a Three-Year Term Expiring in 2025	Plurality of the votes cast	Abstentions and broker non-votes will not be taken into account in determining the outcome of the proposal	No
PROPOSAL 2: Approval, on an Advisory Basis, of the Compensation of our Named Executive Officers in 2021	Majority of the votes cast	Abstentions and broker non-votes will not be taken into account in determining the outcome of the proposal	No
PROPOSAL 3: Ratification of Appointment of PricewaterhouseCoopers LLP as our Independent Registered Public Accounting Firm for the 2022 Fiscal Year	Majority of the votes cast	Abstentions and broker non-votes will not be taken into account in determining the outcome of the proposal	Yes

QUORUM

We must have a quorum to conduct business at the Annual Meeting. A quorum consists of the presence at the Annual Meeting, either attending the meeting virtually or represented by proxy, of the holders of a majority of the outstanding shares of our common stock entitled to vote. For the purpose of establishing a quorum, abstentions, including brokers holding customers' shares of record who cause abstentions to be recorded at the meeting, and broker non-votes are considered stockholders who are present and entitled to vote, and count toward the quorum. If there is no quorum, the holders of a majority of shares virtually attending the Annual Meeting or represented by proxy or the presiding officer of the meeting may adjourn the Annual Meeting to another date.

PROXY SOLICITATION COSTS

We pay the cost of soliciting proxies. Proxies will be solicited on behalf of the Board by mail, telephone, and other electronic means or in person. Directors and employees will not be paid any additional compensation for soliciting proxies. We may reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

BOARD OF DIRECTORS

Our Board has nominated Thomas E. Hamilton for re-election as a Class II director at our Annual Meeting to hold office until our 2025 Annual Meeting of Stockholders.

Our Board is the Company's ultimate decision-making body, except with respect to those matters reserved to the stockholders. Our Board selects the members of our senior management team, who in turn are responsible for the day-to-day operations of the Company. Our Board acts as an advisor and counselor to senior management and oversees its performance.

Our Board is divided into three classes, with each class holding office for a three-year term. Thomas E. Hamilton, a current Class II director, has been nominated by our Board for re-election at the Annual Meeting for a three-year term that will expire at our 2025 Annual Meeting of Stockholders and until his successor, if any, is elected or appointed, or his earlier death, resignation, or removal. Mr. Hamilton has agreed to be named and to serve, and we expect him to be able to serve if elected. If Mr. Hamilton is unable to serve, the Nominating and Corporate Governance Committee will recommend to our Board a replacement nominee. The Board may then designate the other nominee to stand for election. If you voted for the unavailable nominee, your vote will be cast for his replacement.

Thomas O. Daniel, M.D. currently serves as a Class II director of our Board with a term expiring at the Annual Meeting. Dr. Daniel's service as a member of our Board will end effective as of the date of the Annual Meeting and he is not standing for re-election. After careful consideration, we have elected to reduce the size of our Board from seven to six directors, effective as of the date of the Annual Meeting.

BOARD STRUCTURE AND COMPOSITION

The Nominating and Corporate Governance Committee is responsible for recommending the composition and structure of our Board and for developing criteria for Board membership. The Nominating and Corporate Governance Committee regularly reviews director competencies, qualities, and experiences, with the goal of ensuring that our Board is comprised of an effective team of directors who function collegially and who can apply their experience toward meaningful contributions to our business strategy and oversight of our performance, risk management, organizational development and succession planning.

Our Amended and Restated Bylaws (the "Bylaws") provide that the number of members of our Board shall be fixed by the Board from time to time. Our Board is currently fixed at seven members. However, as described above, after careful consideration we have elected to reduce the size of our Board from seven to six directors following Dr. Daniel's departure from our Board, effective as of the date of the Annual Meeting. Our Board is divided into three classes with staggered three-year terms. The Nominating and Corporate Governance Committee is responsible for identifying individuals that it believes are qualified to become Board members.

CRITERIA FOR BOARD MEMBERSHIP

The Nominating and Corporate Governance Committee considers certain criteria in identifying director nominees. Important general criteria and considerations for Board membership include:

GENERAL CRITERIA

- Ability to contribute to the Board's range of talent, skill, and experience to provide sound and prudent guidance with respect to the Company's strategy and operations, including, but not limited to:
 - Experience at senior levels in public companies;
 - Financial expertise;

BOARD OF DIRECTORS (continued)

- Experience in leadership roles in clinical and commercial-stage companies in the biotechnology or healthcare fields;
- Personal integrity and ethical character, commitment and independence of thought and judgment;
- Capability to fairly and equally act in the best interest of our stockholders;
- Confidence and willingness to express ideas and engage in constructive discussion with other Board members and management, to actively participate in the Board's decision-making process and make difficult decisions in the best interest of the Company and its stockholders;
- Ability to contribute to the diversity of personal and professional experiences, opinions, perspectives, and backgrounds on the Board;
- Willingness and ability to devote sufficient time, energy and attention to the affairs of the Company and the Board; and
- Lack of actual and potential conflicts of interest.

The Nominating and Corporate Governance Committee also considers, on an ongoing basis, the background, experience and skills of the incumbent directors that are important to our current and future business needs, including, among others, the combined mix of experience in the following areas: finance, executive and management, the formation and development of start-up companies in the life sciences industry, public company governance and management and biopharmaceutical product development.

In recruiting and selecting Board candidates, the Nominating and Corporate Governance Committee considers the size of the Board and the skills of the candidates. The Nominating and Corporate Governance Committee reviews the professional experience and qualifications of each Board member and candidate to determine whether a particular Board member or candidate possesses the necessary skills and/or other attributes to qualify him or her for service on a particular committee. The Nominating and Corporate Governance Committee also considers a wide range of additional factors including other positions the director or candidate holds, including other boards of directors on which he or she serves, and the independence of each director and candidate, to ensure that a substantial majority of the Board is independent. While the Company does not have a formal policy on Board diversity, the Nominating and Corporate Governance Committee considers the value of diversity on the Board in evaluating director nominees. Accordingly, the Nominating and Corporate Governance Committee's evaluation of director nominees includes consideration of their ability to contribute to the diversity of personal and professional experiences, opinions, perspectives, and backgrounds on the Board.

Potential Director Candidates

On an ongoing basis, the Nominating and Corporate Governance Committee considers potential director candidates identified on its own initiative, as well as candidates referred or recommended to it by other directors, members of management, search firms, stockholders and others (including individuals seeking to join the Board). Stockholders who wish to recommend candidates may contact the Nominating and Corporate Governance Committee in the manner described in "Stockholder Communications to the Board." Stockholder nominations must be made according to the procedures required under our Bylaws and described in this Proxy Statement under the heading "Requirements for Submission of Stockholder Proposals for Next Year's Annual Meeting." Stockholder-recommended candidates and stockholder nominees whose nominations comply with these procedures and who meet the criteria referred to above will be evaluated by the Nominating and Corporate Governance Committee in the same manner as the Nominating and Corporate Governance Committee's nominees.

BOARD OF DIRECTORS (continued)

BOARD DIVERSITY

Board diversity and inclusion is critical to the success of our Company. While we do not have a formal policy on Board diversity, the Board is committed to building a Board that consists of the optimal mix of skills, expertise, and diversity so that the Board is capable of effectively overseeing the execution of our business and meeting the Company’s evolving needs, with diversity reflecting gender, age, race, ethnicity, background, professional experience and perspectives. The Nominating and Corporate Governance Committee considers the value of diversity on the Board in evaluating director candidates. Accordingly, the Nominating and Corporate Governance Committee’s evaluation of director nominees includes consideration of their ability to contribute to the diversity of personal and professional experiences, opinions, perspectives and backgrounds on the Board.

As presently constituted, the Board represents a deliberate mix of members who have a deep understanding of our business as well as members who have different skill sets and points of view. The matrix below summarizes the self-identified gender and demographic background statistics for our Board. Each of the categories listed in the matrix below has the meaning given to it in Nasdaq Listing Rule 5605(f).

Our Board believes that a strong culture of integrity, ethics and compliance is fundamental to the conduct of the Company’s business, and is necessary for effective risk management, maintaining investor trust, and successful corporate governance.

BOARD OF DIRECTORS (continued)

We believe corporate responsibility is essential for good governance because it strengthens the accountability of our Board and management team. We view Environmental, Social and Governance (“ESG”) initiatives as long-term value drivers for the Company and our stockholders. Our focus on, and commitment to ESG initiatives, is tied to our belief that achieving and sustaining business excellence goes hand-in-hand with strong corporate leadership and stewardship. Our Board is primarily responsible for overseeing our corporate strategy, which includes the oversight of ESG matters that impact our business and related risks.

The following is a summary of our current ESG policies and practices:

- **Separate Chairperson of the Board and Chief Executive Officer:** The offices of Chief Executive Officer (“CEO”) and Chairperson of the Board are separated, which allows our CEO to focus on strategic planning and execution, as well as our day-to-day business operations, while allowing the Chairperson of the Board to lead the Board in its fundamental role of providing advice to, and oversight of, management. While our Bylaws do not require the Chairperson of the Board and CEO positions to be separate, our Board believes that having separate positions is the appropriate leadership structure for us currently and demonstrates our commitment to good corporate governance.
- **Independent Committees:** Each of our committees consist entirely of independent directors.
- **Regularly Held Executive Sessions:** The independent directors of our Board meet separately in executive session on a regular basis to discuss matters relating to the Company and the Board, without members of the management team present.
- **Code of Conduct:** All of our directors, officers and employees are subject to the Code of Conduct, which is available on our website at www.larimartx.com under “Investors—Corporate Governance.”
- **Human Capital Management:** We are committed to the health and welfare of our employees. We support the development of our employees with a competitive compensation and benefits package, health and wellness programs, internal advancement, and individualized development opportunities.
- **Diversity and Inclusion:** We strive to create a workplace culture that supports a diverse, multi-cultural workforce, treats individuals fairly, and provides an inclusive environment where all employees are empowered to contribute and succeed. As of April 1, 2022, women comprise 59% of our employee workforce and 56% of our employee leaders at the level of director or above. We do not require our employees to self-identify as racial and ethnic minorities and therefore do not maintain metrics on this information.

In the director nominee and continuing director biographies that follow, we highlight the specific experience, qualifications, attributes and skills that led the Board to conclude that the director nominee or continuing director should serve on our Board at this time.

CORPORATE GOVERNANCE AND RISK MANAGEMENT

We are committed to good corporate governance and integrity in our business dealings. We believe that strong corporate governance practices that provide meaningful rights to our stockholders and ensure Board and management accountability are key to our relationship with our stockholders. We strive to have regular, constructive conversations with our stockholders to better understand our stockholders' priorities and perspectives.

Our governance practices are documented in our Ninth Amended and Restated Certificate of Incorporation, as amended (the "Certificate"), our Bylaws, our Code of Conduct, our Corporate Governance Guidelines and the charters of the committees of the Board (the "Committees"). Aspects of our governance documents are summarized below. You can find our charters for each Committee and our Code of Conduct on our website at www.larimartx.com under "Investors—Corporate Governance."

BOARD INDEPENDENCE

Our Board has determined that each of our directors, with the exception of Dr. Ben-Maimon, are "independent" directors, as defined under the rules of Nasdaq. In making such determination, the Board considered the relationships that each such non-employee director has with the Company and all other facts and circumstances that the Board deemed relevant in determining their independence, including the beneficial ownership of our common stock by each non-employee director. In considering the independence of the directors listed above, the Board also considered the association of each non-employee director with the holders of more than 5% of our common stock. Our independent directors generally meet in executive session at each regularly scheduled Board meeting.

BOARD LEADERSHIP STRUCTURE

Currently, our leadership structure separates the offices of CEO and Chairperson of the Board with Dr. Ben-Maimon serving as our CEO and Mr. Truitt serving as Chairperson of the Board. Separating these positions allows the CEO to focus on day-to-day business, while allowing the Chairperson of the Board to lead the Board in its fundamental role of providing advice to, and independent oversight of, management. The Board recognizes the time, effort and energy that the CEO must devote to her position in the current business environment, as well as the commitment required to serve as Chairperson of the Board, particularly as the Board's oversight responsibilities continue to grow. The Board believes it is important to retain its flexibility to allocate the responsibilities of the officers of Chairperson of the Board and CEO in any way that is in the best interest of the Company at a given point in time. Our Board believes that the separation of the positions of CEO and Chairperson of the Board reinforces the independence of the Board from management, creates an environment that encourages objective oversight of management's performance and enhances the effectiveness of our Board as a whole. Although our Bylaws do not require the Chairperson of the Board and CEO positions to be separate, the Board believes that having separate positions is the appropriate leadership structure for the Company currently. The Nominating and Corporate Governance Committee periodically evaluates our Board leadership structure and whether its leadership structure is appropriate to effectively address the specific needs of our business and the long-term interests of our stockholders.

BOARD COMMITTEES

Our Board has established various Committees to assist in discharging its duties: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. Each member of our Committees is an "independent director" as that term is defined by the SEC and Nasdaq. The primary responsibilities of each of the Committees and the Committee memberships are provided below under the section entitled "Board Attendance, Committee Meetings and Committee Membership."

CORPORATE GOVERNANCE AND RISK MANAGEMENT (continued)

Each of the Committees has the authority, as its members deem appropriate, to engage legal counsel or other experts or consultants in order to assist the Committee in carrying out its responsibilities.

RISK MANAGEMENT

While the Board has the ultimate oversight responsibility for the risk management process, including monitoring and assessing strategic risk exposure, its Committees oversee risk in certain specified areas. Pursuant to its charter, the Audit Committee oversees management of financial reporting, compliance and litigation risks, including risks related to our insurance, information technology, cybersecurity, human resources and regulatory matters, as well as the steps management has taken to monitor and control such exposures. The Compensation Committee is responsible for overseeing the management of risks relating to our executive compensation policies, plans and arrangements and the extent to which those policies or practices increase or decrease risk for the Company, while the Nominating and Corporate Governance Committee manages risks associated with the independence of the Board, potential conflicts of interest and the effectiveness of the Board.

EVALUATING BOARD EFFECTIVENESS

The Board, led by the Nominating and Corporate Governance Committee, is committed to continuous improvement and believes annual self-evaluations are an important tool for evaluating effectiveness. It conducts an annual self-evaluation of the Board, which is presented to the Board for discussion. In addition, each committee conducts an annual self-assessment in a review process similar to that used by the Board.

CODE OF CONDUCT

We have a written Code of Conduct that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. The Code of Conduct covers fundamental ethical and compliance-related principles and practices such as accurate accounting records and financial reporting, avoiding conflicts of interest, the protection and use of our property and information and compliance with legal and regulatory requirements. The Code of Conduct and any amendments thereto, or any waivers of its requirements, is disclosed on our website at www.larimartx.com under “Investors – Corporate Governance.”

DIRECTOR ORIENTATION AND CONTINUING EDUCATION

Our director orientation and continuing education programs familiarize new directors with the Company’s businesses, strategies, and policies, and assists new directors in developing the skills and knowledge required for their service on the Board. From time to time, management advises, or invites outside experts to attend Board meetings, to advise the Board on its responsibilities, management’s responsibilities, developments relevant to corporate governance and best corporate practices. Additionally, Board members may attend, and are encouraged to attend, accredited director education programs at the Company’s expense.

CORPORATE GOVERNANCE GUIDELINES

We have a written set of Corporate Governance Guidelines that are designed to help ensure effective corporate governance of our Company. Our Corporate Governance Guidelines cover topics including, but not limited to, the size and composition of the Board, Board membership criteria, director qualifications and duties, Board committees, director compensation and director communications with third parties. Succession planning for the Board is critical to our success. Our goal is to achieve a Board that provides effective oversight of the Company through the appropriate balance of diversity of perspectives, experience, expertise, and skills. Our Corporate Governance Guidelines are reviewed periodically by the Nominating and Corporate Governance Committee, which recommends any proposed changes to our Board for approval.

Thomas and Truitt qualify as an “audit committee financial expert” within the meaning of SEC regulations. This designation does not impose any duties, obligations or liabilities that are greater than are generally imposed on members of our Audit Committee and our Board.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee identifies qualified individuals for membership on the Board, recommends to the Board the director nominees to fill vacancies on the Board and to stand for election at the next annual meeting of stockholders, develops and recommends to the Board a set of corporate governance guidelines for the Board and provides oversight of the corporate governance affairs of the Board, as well as such other matters as directed by the Board or the Nominating and Corporate Governance Charter. CORPORATE GOVERNANCE AND RISK MANAGEMENT (continued)

Subject to certain limitations, our Compensation Committee has delegated authority to our CEO to grant options or other stock awards to our non-executive officers. Our Compensation Committee also has the authority to form and delegate authority to one or more subcommittees as it deems appropriate from time to time under the circumstances. The Compensation Committee annually reviews the performance of each of the executive officers, including the CEO. It then determines and approves the compensation of each executive officer, other than the CEO, and determines and makes recommendations regarding the CEO's compensation level to the Board for approval.

Radford (an operating unit of Aon plc and a widely recognized leader in gathering and analyzing industry compensation trends) serves as our independent compensation consultant for executive compensation. Radford reports directly to the Compensation Committee and provides various executive compensation services to the Compensation Committee, including advising the Compensation Committee on the principal aspects of our executive compensation program and evolving industry practices and providing market information and analysis regarding the competitiveness of our program design and our award values in relation to performance. In addition, Aon, an affiliate of Radford, serves as our insurance broker for all of our commercial lines of insurance.

AUDIT COMMITTEE PRE-APPROVAL POLICIES AND PROCEDURES

The Audit Committee is responsible for appointing, retaining, setting compensation for, and evaluating and overseeing the work of the independent registered public accounting firm. The Audit Committee’s charter establishes a policy that all audit and permissible non-audit services provided by the independent registered public accounting firm will be pre-approved by the Audit Committee.

All such audit and permissible non-audit services were pre-approved in accordance with this policy during the fiscal year ended December 31, 2021. These services may include audit services, audit-related services, tax services and other services. The Audit Committee considers whether the provision of each non-audit service is compatible with maintaining the independence of our independent registered public accounting firm. The responsibility to pre-approve audit and non-audit services may be delegated by the Audit Committee to one or more members of the Audit Committee; provided that any decisions made by such member or members must be presented to the full Audit Committee at its next scheduled meeting.

AUDIT COMMITTEE REPORT

The primary purpose of the Audit Committee is to assist the Board in its general oversight of the Company's financial reporting process.

Management is primarily responsible for the preparation, presentation, and integrity of the Company's consolidated financial statements, accounting and financial reporting principles, internal controls and procedures designed to ensure compliance with accounting standards, applicable laws, and regulations. The Company's independent registered public accounting firm for the fiscal year 2021, PwC, is responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those consolidated financial statements with generally accepted accounting principles.

The Audit Committee has reviewed and discussed the audited consolidated financial statements contained in the Company's 2021 Annual Report with management and PwC. The Audit Committee has discussed with PwC the matters required to be discussed by the applicable requirements of the Public Company Accounting Oversight Board ("PCAOB") and the SEC. In addition, PwC has provided the Audit Committee with the written disclosures and the letter required by the applicable requirements of the PCAOB regarding PwC's communications with the Audit Committee concerning independence, and the Audit Committee has discussed with PwC its independence.

The Audit Committee also considered whether the independent registered public accounting firm's provision of non-audit services to the Company is compatible with the auditor's independence. The Audit Committee has concluded that the independent registered public accounting firm is independent from the Company and its management. Based on the considerations and discussions referred to above, the Audit Committee recommended to the Board that the audited consolidated financial statements be included in the Company's 2021 Annual Report.

Annual Cash and Equity Bonus Opportunities

Each of our named executive officers' performance-based cash bonus opportunity is expressed as a percentage of base salary that can be achieved by meeting predetermined corporate and individual performance objectives. Our Compensation Committee annually approves the Chief Financial Officer's bonus payout for the year, while the Board annually approves, upon recommendation from the Compensation Committee, the Chief Executive Officer's bonus payout for the year.

The 2021 annual bonuses for Dr. Ben-Maimon and Mr. Celano were targeted at 50% and 35% of their respective base salaries. For 2021, they were eligible to earn their annual bonuses pursuant to the achievement of corporate and/or individual performance goals. These goals primarily included removing the FDA's clinical hold on the Company's CTI-1601 clinical program, expanding the clinical pipeline, scaling up manufacturing capabilities and completing capital raising transactions. Following a review of the corporate goals attained in 2021, our Compensation Committee approved, and, in the case of Dr. Ben-Maimon, our Compensation Committee recommended and our Board approved: (1) 2021 annual cash bonus payments to each of Dr. Ben-Maimon and Mr. Celano in an amount equal to 55% of their respective target bonus amounts, totaling \$140,250 and \$70,455, respectively, and (2) 2021 annual equity bonuses to each of Dr. Ben-Maimon and Mr. Celano in the amount of 182,000 and 80,000 options to purchase shares of the Company's common stock, respectively. Each of the options will vest 25% on the first anniversary of the grant date, with the remaining 75% vesting in equal monthly installments on the last day of each of the 36 calendar months immediately following such date, subject to the grantee's continued service through the applicable vesting dates.

Equity Incentives

Our equity-based incentive awards are designed to align our interests and the interests of our stockholders with those of our named executive officers. Our Board or Compensation Committee, as applicable, approves equity grants.

Stock option awards to our named executive officers generally vest 25% on the first anniversary of the grant date, with the remaining 75% vesting in equal monthly installments on the last day of each of the 36 calendar months immediately following the first anniversary of the grant date, subject generally to the named executive officer's continuous service through the relevant vesting dates.

PLEDGING AND HEDGING POLICIES

Under the terms of our Insider Trading Policy, our executive officers and directors are prohibited from: trading in call or put options involving our securities and other derivative securities; engaging in short sales of our securities; holding our securities in a margin account, all forms of hedging or monetizing our transactions, such as zero-cost collars and forward sale contracts and pledging company securities to secure margin or other loans.

EMPLOYMENT AGREEMENTS

We have entered into employment agreements with each of our named executive officers:

Employment Agreement with Carole S. Ben-Maimon, M.D. We entered into an employment agreement with Dr. Ben-Maimon, as our President and Chief Executive Officer, on July 31, 2020 to supersede her employment agreement with Chondrial, dated December 1, 2016, and to otherwise establish the terms and conditions of Dr. Ben-Maimon's employment by the Company. Employment Agreement with Michael Celano. We entered into an employment agreement with Mr. Celano, as our Chief Financial Officer, on June 1, 2020. Mr. Celano's period of employment with the Company commenced on May 28, 2020. Pursuant to the terms of this agreement, Mr. Celano's initial annual base salary was \$350,000 and his target annual bonus opportunity is not less than 35% of his base salary. The Compensation Committee increased this bonus opportunity percentage to 40% of base salary effective January 1, 2022. In connection with his hiring, on May 28, 2020, Mr. Celano received a stock option grant in respect of 60,479 shares of our common stock (the "Initial Award"), as further described in the table above entitled "Outstanding Equity Awards at Fiscal Year-End."

Confidential Information and Invention Agreement

Each of Dr. Ben-Maimon and Mr. Celano have also entered into a standard form agreement with respect to confidentiality of the Company's proprietary information and assignment of inventions. Among other things, this agreement obligates each of them to refrain from disclosing any of the Company's proprietary information and to assign to the Company inventions conceived or developed during the course of employment. Such agreement also provides that during the period of such officer's employment and for one year thereafter, they will not compete with the Company and will not solicit the Company's employees, contractors, lenders, partners or suppliers.

EXECUTIVE COMPENSATION *(continued)*

Ben-Maimon and Celano Severance Rights

Each of Dr. Ben-Maimon's and Mr. Celano's employment agreement provides that, in the event the executive's employment with the Company ceases for any reason, he or she will be entitled to receive any accrued, unpaid base salary and reimbursement for expenses incurred by the executive, but not yet reimbursed, prior to the date of termination, in accordance with our expense reimbursement policies (the "Accrued Rights").

If the executive's employment is terminated without cause or they resign with good reason, then in addition to the Accrued Rights, such executive will be entitled to receive:

- payment of any earned, unpaid bonus for the immediately preceding calendar year (the "Prior Year Bonus");

- in the case of Mr. Celano, accelerated vesting of any portion of his Initial Award that then remains outstanding and otherwise unvested.

However, if the executive's employment is terminated without cause or the executive resigns with good reason within one year following a change in control, then in lieu of the severance payments and benefits described above, he or she would instead receive:

- the Prior Year Bonus;
- monthly severance payments for eighteen months, in the case of Dr. Ben-Maimon, and twelve months, in the case of Mr. Celano, with each payment equal to one-twelfth the sum of the executive's then in effect base salary and then in effect target annual bonus;

- in the case of Mr. Celano, accelerated vesting of any portion of his Initial Award that then remains outstanding and otherwise unvested.

In each case, the severance payments are conditioned on the executive's execution and delivery of a general release of claims against the Company and its affiliates in a form prescribed by the Company and on such release becoming irrevocable within 30 days following the executive's cessation of employment.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Since January 1, 2020, we have engaged in the following transactions with our directors, executive officers, holders of more than 5% of our voting securities, and affiliates or immediate family members of our directors, executive officers, and holders of more than 5% of our voting securities. We believe that all of these transactions were on terms as favorable as could have been obtained from unrelated third parties.

INDEMNIFICATION AGREEMENTS

We have entered or intend to enter into indemnification agreements with each of our directors and officers. These indemnification agreements may require us, among other things, to indemnify our directors and officers for some expenses, including attorneys' fees, judgments, fines and settlement amounts incurred by a director or officer in any action or proceeding arising out of his or her service as one of our directors or officers, or any of our subsidiaries or any other company or enterprise to which the person provides services at our request.

POLICIES AND PROCEDURES FOR RELATED PERSON TRANSACTIONS

Our Board has adopted a written Related Party Transaction Policy that governs the review and approval of related party transactions. The Related Party Transaction Policy covers any transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we were or are to be a participant, where the amount involved exceeds \$120,000 and a related person had or will have a direct or indirect material interest. Pursuant to the Related Party Transaction Policy, if we want to enter into a transaction with a related party or an affiliate of a related party, the Audit Committee will review the proposed transaction to determine, based on applicable rules of Nasdaq and the SEC, whether such transaction requires approval by the Audit Committee. If approval is required, the proposed transaction will be reviewed at the next regular meeting of the Audit Committee, and we may not enter into a related party transaction unless the Audit Committee has specifically confirmed in writing that either no further reviews are necessary or that all requisite corporate reviews have been obtained. In reviewing and approving any such transactions, our Audit Committee is tasked to consider all relevant facts and circumstances with respect to the transaction and shall evaluate all available options, including ratification, revision or termination of the transaction. The Audit Committee will not approve or ratify a transaction with a related party unless it has determined, upon consideration of all relevant information, that the transaction is in, or not inconsistent with, the best interests of the Company or its stockholders. All of the transactions described under "Certain Relationships and Related Party Transactions" in this Proxy Statement occurred prior to or concurrently with the adoption of the Related Party Transaction Policy and as such, these transactions were not subject to the approval and review procedures set forth in the Related Party Transaction Policy. However, these transactions were reviewed and approved by our Board.

ITEMS TO BE VOTED ON

PROPOSAL 1: ELECTION OF CLASS II DIRECTOR FOR A THREE-YEAR TERM EXPIRING IN 2025

At the Annual Meeting, our stockholders will vote on the election of the Class II director nominee named in this Proxy Statement as a director, to serve until our 2025 Annual Meeting of Stockholders and until his successor is elected and qualified. Our Board has unanimously nominated Thomas E. Hamilton for election to our Board at the Annual Meeting.

The nominee has agreed to be named and to serve, and we expect him to be able to serve if elected. If Mr. Hamilton is unable to serve, the Nominating and Corporate Governance Committee will recommend to our Board a replacement nominee. The Board may then designate the other nominee to stand for election. If you voted for Mr. Hamilton, your vote will be cast for his replacement.

OUR BOARD UNANIMOUSLY RECOMMENDS STOCKHOLDERS VOTE **FOR** THE ELECTION OF THOMAS E. HAMILTON.

ITEMS TO BE VOTED ON (continued)

PROPOSAL 2: APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS IN 2021

We are offering our stockholders an opportunity to cast an advisory vote to approve the compensation of our named executive officers, as disclosed in this Proxy Statement, pursuant to Section 14A of the Exchange Act, which was put in place by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010. This proposal, commonly known as “say-on-pay,” gives our stockholders the opportunity to express their views on our named executive officers’ compensation. The vote is advisory, and, therefore, it is not binding on the Board, the Compensation Committee, or the Company. Nevertheless, the Compensation Committee will consider the outcome of the vote when considering future executive compensation decisions. We currently intend to conduct this advisory vote annually.

Our executive compensation program is designed to attract, motivate and retain our named executive officers who are critical to our success. Our Board believes that our executive compensation program is well tailored to retain and motivate key executives while recognizing the need to align our executive compensation program with the interests of our stockholders and our “pay-for-performance” philosophy. Our Compensation Committee continually reviews the compensation programs for our named executive officers to ensure they achieve the desired goals of aligning our executive compensation structure with our stockholders’ interests and current market practices.

We encourage our stockholders to read the “Summary Compensation Table” and other related compensation tables and narrative disclosures, which describe the 2021 compensation of our named executive officers.

We are asking our stockholders to indicate their support for the compensation of our named executive officers as described herein. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and our executive compensation philosophy, programs, and practices as described in this Proxy Statement.

OUR BOARD UNANIMOUSLY RECOMMENDS STOCKHOLDERS VOTE **FOR** THE APPROVAL OF, ON AN ADVISORY BASIS, THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS IN 2021 AT THE ANNUAL MEETING.

PROPOSAL 3: RATIFICATION OF APPOINTMENT OF PRICEWATERHOUSECOOPERS LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE 2022 FISCAL YEAR

The Audit Committee of the Board has appointed and engaged PwC to serve as our independent registered public accounting firm to audit the consolidated financial statements of the Company and our subsidiary for the 2022 fiscal year, and to perform audit-related services. PwC has served as our independent registered public accounting firm since 2014.

Stockholders are hereby asked to ratify the Audit Committee's appointment of PwC as our independent registered public accounting firm for the 2022 fiscal year.

The Audit Committee is solely responsible for selecting our independent auditors. Although stockholder ratification of the appointment of PwC to serve as our independent registered public accounting firm is not required by law or our organizational documents, the Board has determined that it is desirable to seek stockholder ratification as a matter of good corporate governance in view of the critical role played by independent registered public accounting firms in maintaining the integrity of financial controls and reporting. If the stockholders do not ratify the appointment of PwC, the Audit Committee will reconsider its selection and whether to engage an alternative independent registered public accounting firm, but may ultimately determine to retain PwC as our independent registered public accounting firm.

Representatives of PwC are expected to virtually attend the Annual Meeting where they will be available to respond to appropriate questions and, if they desire, to make a statement.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE **FOR** THE RATIFICATION OF PRICEWATERHOUSECOOPERS
LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE COMPANY FOR THE FISCAL YEAR
ENDING DECEMBER 31, 2022.
